

NOTICE

The undersigned is directed to say that the instructions issued by the Chandigarh Administration prohibit the Governments servants from participating in any form of strike including mass casual leave, etc. or in any way abet any form of strike which will be violation of rule 7 of Pb. CSR (Conduct) Rules, 1996. The Supreme Court has also agreed in several judgments that going on a strike is a grave misconduct under the conduct rules and that misconduct by the Government employees is required to be dealt with in accordance with law. Any employee going on strike in any form would face the consequences which, besides deduction of wages, may also include appropriate disciplinary action.

Therefore, apart from the fact that any form of strike/mass casual/leave/boycott of work would be in violation of the rule. Proceeding on any form of strike will also not be in the interest of the employees. Accordingly, the under signed is directed to convey that if any employee or an association/group of employees, under any nomenclature, indulges in any form of strike/boycott or work in pursuance of any alleged terms of the provision mentioned above, the salary of such employees for the day/days in question shall not be paid. This will be without prejudice to any disciplinary action that may be initiated against such employees and will be viewed seriously.

The genuine demands of the Nursing Cadre have either been already taken care of or are under active consideration of this department and likely to be sorted out shortly. The member(s) of the association who participate in the strike w.e.f. 01.02.2017, shall liable to face the **"no work no pay, disciplinary action and legal consequences, etc."**
