

The clean person is not one that runs away from dirt but one who takes the time and effort to tidy up a dirty environment. The college of Nursing followed the same motto and organized a cleanliness drive and rally on 13th may 2018 e=where Dr. Jain and Dr. Saini were the chief guest. Rally was an ice breaker for reformation among the fellow citizens to bring a change that is clean India,. As the WHO and ICN too advocate that the clean work would have lead to clerically to some society. The dissemination was not only limited to the hospital premises however people centered approach was followed and the awareness was given through the nukkar natak by staff nurses which was well appreciated by strata of all age group at sukhana lake. Burn out is one cannot have among health care personnels. The harmony of the body mind and spirit was achieved by having a friendly match between GMCH staff at Government Model Senior Secondary School Sector-19,Chandigarh.
