

14.5.2018

Taking initiative to bring bliss on the face of patient and making their entry to hospital a genial our staff nurses of the hospital stood on the gates of GMCH building wearing their uniform pride and sharp on time. They were also accompanied by representatives of College of Nursing, Nursing Staff member, nursing students and faculty of College of Nursing guided the patients to their respective destinations inside the hospital premises with smile and humbleness. Special security arrangements were done. At 9.00 a.m. nursing students made special posters displays at MRD, Geriatric OPD and Lab area of GMCH. These posters were based on the cleanliness drive, posters were self explanatory and innovative.

Apart from this, staff nurses of GMCH presented health teaching act various OPD's on general health topics.

This event was very knowledgeable and was awareness departing students of College of Nursing were divided into 2 teams and they enacted a role play on hand hygiene with a parady song at all the OPD's located on respective floors.
