

Name of the Department : Biochemistry

Publications for the last 01 year 2024

Sr. No.	Name of Faculty	Publications
1.	Dr. Jasbinder Kaur	1. Jaswal S, Gupta S, Bhalla M, Kaur J. Evaluating serum D dimer levels as biomarker for severity and prognosis in chronic urticaria. International Journal of Scientific Research2024; 13(09) 2. Jaswal S, Singh A, Gupta S, Kaur Amarpreet, Saini V, Kaur J. Correlations of levels of Vitamin D with disease control in patients of bronchial asthma. Indian Journal of Applied Research 2024;14(10) 3. Kaur A, Gupta S, Jaswal S, Mandeep M, Kaur J. Association of TyG index with HbA1c and insulin resistance in diabetes patients. Indian Journal of Applied research 2024;14(10)
2.	Dr. Shivani Jaswal	1. Jaswal S, Singh A, Gupta S, Kaur A, Saini V, Kaur J. Correlations of levels of Vitamin D with disease control in patients of bronchial asthma. Indian Journal of Applied Research 2024;14(10) 2. Kaur A, Gupta S, Jaswal S, Mandeep M, Kaur J. Association of Ty G index with HbA1c and insulin resistance in diabetes patients. Indian Journal of Applied research 2024;14(10) 3. Jaswal S, Gupta S, Bhalla M, Kaur J. Evaluating serum d-dimer levels as a biomarker for severity and prognosis in chronic urticaria. IJSR 2024;13(9):1-3 4. Gupta S, Jaswal S, Kaur J, D'Cruz S, Kaur A, Dhingra P. Urinary podocalyxin as a marker of renal insult in prediabetes and diabetes. International Journal of Scientific Research2024; 13(08) 5. Gupta S, Jaswal S, kaurJ, D'Cruz S, KaurA, DhingraP. Urinarypodocalyxin as a marker of renal insult in prediabetes and diabetes. International Journal of Scientific Research2024; 13(08) 6. Gupta S, Singh A, Jaswal S, Garg K, Kaur J, Saini V. IP-10 and PCT in COPD patients: Correlation and role as biomarkers. International Journal of Scientific Research 2024;13(10):53-55.

3.	Dr. Seema Gupta	1. Gupta S, Singh A, Jaswal S, Garg K, Kaur J, Saini V. IP-10 and PCT in COPD patients: Correlation and role as biomarkers. International Journal of Scientific Research 2024;13(10):53-55. 2. Gupta S, Jaswal S, Kaur J, D'Cruz S, Kaur A, Dhingra P. Urinary podocalyxin as a marker of renal insult in prediabetes and diabetes. International Journal of Scientific Research 2024; 13(08) 3. Jaswal S, Gupta S, Bhalla M, Kaur J. Evaluating serum D dimer levels as biomarker for severity and prognosis in chronic urticaria. International Journal of Scientific Research 2024; 13(09) 4. Kaur A, Gupta S, Jaswal S, Narang S, Singla M, Kaur J. Association of triglyceride glucose index with HbA1c and insulin resistance in diabetes mellitus. Indian Journal of Applied Research 2024;14(10):12-15. 5. Jaswal S, Singh A, Gupta S, Kaur Amarpreet, Saini V, Kaur J. Correlations of levels of Vitamin D with disease control in patients of bronchial asthma. Indian Journal of Applied Research 2024;14(10)
