PHOTOGRAPHIC REPORT OF ACADEMIC AND FIELD ACTIVITIES

(Submitted for updation on the official website of GMCH-32, Chandigarh vide letter Ref. No. 1208 dated 17.09.2026)

1. Poshan Maah 2026 – Urban Health Training Centre (UHTC), Sector 44

Residents, Interns and staff of the Department of Community Medicine with schoolchildren during a Poshan Maah 2026 awareness activity held at the Urban Health Training Centre, Sector 44, Chandigarh. The session, conducted in a classroom setting, engaged young students on the theme of good habits and nutrition, with the participating children enthusiastically displaying bananas distributed as part of the healthy-eating demonstration.

2. School Health Camp – Rural Health Training Centre (RHTC), Village 56

A School Health Camp organised by the Department of Community Medicine through the Rural Health Training Centre (RHTC), Village 56, at Government Model Senior Secondary School, Village 56, Chandigarh (GMSSS-56CHD), A postgraduate resident is conducting a clinical examination of a schoolgirl, with basic health screening.

3. Field Survey – Geriatric OPD, Sector 48

A field survey conducted under the Healthy Ageing On the Wheels outreach programme (Geriatric OPD), Sector 48, Chandigarh. A departmental intern doctor is seen recording the medical history and health parameters of an elderly beneficiary at his residence, as part of the ongoing community-based geriatric health assessment carried out by the Department of Community Medicine.

4. Sapling Plantation – Breastfeeding Awareness Week, UHTC Sector 44

In the presence of Director Principal & Medical Superintendent, Faculty members and staff of the Department of Community Medicine planting a sapling to mark Breastfeeding Awareness Week, organised at the Urban Health Training Centre, Sector 44, Chandigarh. The plantation drive symbolised the theme of nurturing and sustaining life, aligning with the week's message on the importance of breastfeeding for maternal and child health.

5. Poshan Maah 2026 – Geriatric OPD, GMCH Sector 32

In presence of Director Principal, Medical Superintendent and the Departmental faculty, residents and staff at the Geriatric OPD, GMCH, Sector 32, Chandigarh, during Poshan Maah (9th Rashtriya Poshan Maah) 2026 activities held from September to October 2026. An awareness stall on anaemia was set up as part of the nutrition month observance, with informational displays on the symptoms, causes and prevention of anaemia for patients and attendants visiting the OPD.
