(Academic Branch)

O R D E R

Consequent upon meeting of the Joint Academic and Administrative Committee (JAAC) held on 27.05.2022 under the Chairmanship of Director Principal, the following has been decided:-

- i. Those students who passed in First Supplementary examination will be merged with regular batch 2019 provided they fulfil all the conditions of attendance, completion of required competencies and qualifying marks in the class tests.
- ii. Those students who failed in the above supplementary examination will have to join the next batch of MBBS i.e. 2020 Batch and reappear in the subjects in which they have failed in annual examination with Batch 2020, whenever it is held.
- iii. Any student of (supplementary batch) who fails in the above said annual examination (appeared with batch 2020) will only have one more chance to clear the First Phase and if these students fail to clear this examination, that is 4 attempts within 4 years, the student will not be eligible to pursue the course further.
- iv. No student can appear in the Second Professional examination unless passed in all subjects of the First Professional. Therefore, the students cannot appear simultaneously in both First and Second Professional examinations.

It is requested that the above recommendations may be adhered to strictly.
